Week 2 Quiz

The column on the right contains labels, and the column on the left contains data and formulae. In the space provided, write out the characters that will instruct Excel to calculate the proper values for cells B7, B8, B9, and B10:

	A	B
1	Value 1	45
2	Value 2	32
3	Value 3	46
4	Value 4	76
5	Value 5	24
6		
7	Minimum	
8	Maximum	
9	Sum	
10	Average
